1. WHAT'S NEW

2022 model year introduces a wider offer, including new trims, powertrains, and options.

V8

The venerable AJ133 5.0L Supercharged V8 joins the Defender powertrain family.

A true driver's car. The Defender V8's throttle connection is tuned to maximize off-road control and on-road character. The V8 engine, with 518 HP and 461 lb-ft of torque, can take the you from 0–60 mph in as little as 4.9 seconds in the Defender 90, with a top speed of 149 mph.

- Available in both the 90 and 110 models, as either:
 - V8
 - V8 Carpathian Edition
- Builds on the fantastic Defender Off-Road and all surface capability with even greater performance
- Dynamic mode provides more balance on loose surfaces

Changes in standard equipment, options or prices can occur. Land Rover reserves the right to change product specifications at any time without incurring any obligations.

Vehicle shown with new optional 11.4in Touchscreen

- AJ133 V8 engine with 518hp and 461 lb-ft of torque provides outstanding performance:
 - 0-60mph in 4.9 seconds for Defender 90
 - 0-60mph in 5.1 seconds for Defender 110
- Technical Enhancements:
 - Unique suspension, including bespoke spring and damper rates
 - New Electronic Active Rear Differential, including yaw controller
 - Unique transmission tuning
 - New Dynamic program in Terrain Response 2
 - Revised roll bars
- Unique interior and exterior features include:
 - Upgraded Ebony Windsor Leather with Miko Suedecloth and Robustec accents, including unique V8 seat tab in Ebony
 - Suedecloth Steering Wheel rim
 - Unique Cross Car beam in Satin Black
 - Larger 14.9" front brakes with Xenon Blue calipers
 - Quad exhaust pipes
 - Unique 22" style 5098 wheel in Satin Dark Grey
- Defender V8 will be available exclusively in Santorini Black, Yulong White and Carpathian Grey

Changes in standard equipment, options or prices can occur. Land Rover reserves the right to change product specifications at any time without incurring any obligations.

V8 Carpathian Edition

The Carpathian Edition is based on the Defender V8, with an even more unique exterior color and finish treatment. The following content is unique to the Carpathian Edition.

- Carpathian Grey paint with Satin Protective Film
- Gloss Black Contrast Roof, Hood and Tailgate
- Gloss Carpathian Grey front and rear bumper inserts
- Gloss Carpathian Grey badging and grille bar

Changes in standard equipment, options or prices can occur. Land Rover reserves the right to change product specifications at any time without incurring any obligations.

XS Edition

Based on the P400 X-Dynamic HSE, the Defender XS Edition introduces a new and unique exterior aesthetic to the Defender range, by providing a monochromatic exterior finish.

- Body coloured lower cladding and wheel arches replace the standard grained black lower plastics
- Provides the exterior with unique visual cues that should appeal to customers who may prefer a more color matched exterior appearance
- Available in Gondwana Stone, Hakuba Silver, Santorini Black or Silicon Silver.
- Available only on the Defender 110

The XS Edition is also equipped with a range of enhanced standard interior and exterior equipment, creating a turn-key offering that also enhances customer value.

Standard features beyond an HSE include:

- 20" Style 5095 wheels in Gloss Dark Grey with contrast Diamond Turned finish
- ClearSight rear view mirror
- Three-zone Climate Control
- Heated steering wheel
- Cabin Air Ionisation with PM2.5 filter
- Air Quality Sensor
- Premium cabin lighting
- Domestic plug socket(s)

DEFENDER 90

As the Defender 90 enters its second model year, the range is being expanded to more closely align with the Defender 110 offering.

- P400 X-Dynamic SE and X-Dynamic HSE added to the range, with a spec walk mirroring that of Defender 110
- First Edition is no longer available

STANDARD EQUIPMENT CHANGES
