1999 Land Rover Discovery - \$4000 (Wenatchee)

condition: **fair**

1999 land rover discovery series ii

odometer: **180000** size: **full-size**

type: **SUV** drive: **4wd** fuel: **gas**

transmission: **automatic**

title status: **clean**

Hate having to get rid of this. Just put new battery, starter and filter. Custom built front and rear bumpers with HID lights. Tires bought last year so in very good condition. Very nice and spacious car. Runs great and perfect for the Wenatchee valley. Does have a dent on the rear passenger side door and back quarter panel. Has a few little knicks but that's why its the price it is. Going to college and just won't be driving this enough to keep. Please call or text if you would like to take a look. 509-29three-1550 \$4000 OBO
