WARRANTY:

12,000 mile OR 12-month warranty (whichever comes first) and this warranty exception is non-transferable, no matter the circumstances, and thus, voidable. In effect, under the warranty exception herein noted, upon another party performing any type of work to the engine in question that is not solely Text A Part Auto the warranty exception herein noted is void.

NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE SHALL APPLY. Text A Part Auto does not warrant any products of others which Purchaser/Buyer has designated. In no event will Text A Part Auto be liable for consequential or special damages.

*****WARRANTY VOID IF ENGINE IS OVERHEATED AND DOCUMENTATION OF OIL CHANGES EVERY 5,000 MILES*****

A long block is an engine sub-assembly that consists of the assembled short block, crankshaft, cylinder head, camshaft (usually), and valve train. A long block does not include fuel system, electrical, intake, and exhaust vvt components, valve Covers as well as other components.

WARRANTY DISCLOSURES- PARTS ONLY

All Engines come with a standard one year/12,000 Mile Warranty PARTS ONLY WARRANTY. Warranty period begins upon delivery of engine to the repair facility. The Engine must be installed by a professional shop & All Documentation including vehicle vin#, mileage, initial diagnosis and repair order(s) must be provided to us in the event of an engine failure. No warranty repairs can be performed anywhere else without prior approval of the engine supplier. If engine is disassembled in any way, warranty is automatically void. We do not Warranty Engine oil leaks or air leaks.

Engine Cores Must be returned within one month after delivery of the engine to the shop OTHERWISE WARRANTY IS VOID FOR CUSTOMER . Plus an Additional \$3,500 Core Fee will be charged to the customer.

All Cooling System Components must be replaced preventatively & Proper Bleeding of the Cooling System must be performed. Warranty is Void if the Engine is overheated. We Have Six Proprietary Marked Heat Tabs stamped with our business name Installed on every Engine. In the event of engine failure, we will send an independent inspector to determine if any of the heat tabs are missing, melted or tampered with.

Oil must be Changed by a Certified Repair Facility & Documented Every 5,000 Miles with Full Synthetic Oil (5w20 for 6-cylinders) 8.5 Quarts and Full Synthetic Oil (5w30 for 8-cylinders) 8.5 Quarts otherwise Warranty is Void. (Do Not Depend on Oil Gauge inside vehicle- let customers know these are not always accurate)

Engines are sold as "Long-blocks"- Block, Heads, Oil Pan & Internals. No external components are Warrantied. No warranty against leaks (oil or coolant) or any external parts (Ancillary) failure as they are the original parts from the old engine. Ancillary components include but are not limited to: alternator, starter, supercharger, ac compressor, oxygen sensors, fans, wiring, coils, supercharger, computers, catalytic convertors, belts are not covered. The failure of these components that could resulting in engine damage deem warranty void. We are not responsible fot engine failure as a result of not replacing injectors water pump or thermostat etc. Or improper installation by mechanic. We are not responsible for any damage occurred as a result of shipping. All sales are final absolutely no refunds.

Only internal engine parts are covered. The engine oil must replaced with full synthetic oil & documented by a professional repair facility every 5,000 miles to keep warranty valid. The Warranty is void if the engine/car is overheated. We are not responsible for consequential damage, such as tows, rental cars, or anything extra. All warranty related repairs must be performed by TAPA Jaguar And Land Rover Engines or an affiliate shop at a pre-negotiated labor rate of \$2500
